## ABOUT ME

I am a passionate web developer skilled in HTML, CSS, JavaScript, React, and PHP, with experience in building responsive and interactive websites. I enjoy solving problems through clean and efficient code, creating user-friendly designs, and delivering high-quality digital solutions. I am eager to contribute to projects that challenge me and help businesses grow online.

Entry level | Website Developer  
Ibadan , Nigeria  
2024-11-01 | 2026-02-01

My job is to develop scalable, responsive and user-friendly website for the organization use. I develop websites like school portal for their educational institutions, blog websites, organization showcase website, and admission website. I also have an ongoing website, a website to change their current school portal for a more extensive one.
